

Bulky/Overflow Refuse Pickup

The Town of Grand Chute offers free bulky/overflow refuse collection four times a year. GFL Environmental will have a separate truck in your service area to pick up the bulky items starting at 6:00 a.m. on your regular pickup day. Bulky items must be out by then!

What is bulky/overflow pickup?

Bulky/Overflow pickup is a service the Town has contracted with GFL Environmental for Grand Chute residents to place items that are too large to fit in your garbage cart, such as broken furniture, a mattress, or a cabinet, curbside for collection.

Items of a size that are able to be placed/fit into your garbage cart will not be collected as overflow. This includes extra bags of garbage.

For bulky/overflow pickup, what is the allowable quantity that a resident can set curbside?

2 cubic yards of bulky items (about the size of four garbage carts) may be placed curbside for bulky/overflow pickup. If your bulky items can be reused, consider donating to a local organization instead.

From start to finish, is bulky/overflow pickup completed in a one-week time frame?

The bulky/overflow pickup route will vary each time. This is dependent on the number of bulky items placed on the curbside. Items should remain on the curbside until collection efforts have been completed.

Bulky and Overflow Safe Handling & Acceptance Requirements

Example items that are accepted and not accepted are noted below, but not limited to items listed.

- Items that are capable of being broken down to four feet or less need to be broken down. Such items will not be collected if they are not broken down to four feet or less, not bundled or not tied.
- Items identified as unsafe to handle upon pickup (glass, nails that are protruding outward, etc.) will not be collected.

What if I have bulky items that are not acceptable during this collection, or I would like to have them picked up outside of the pre-scheduled bulky/overflow week?

GFL Environmental offers bulky item pick-up for certain items not accepted during bulky/overflow week, or for large volume pick-ups throughout the year. This service is coordinated directly between the property owner and GFL Environmental and is at the property owner's expense. Items that may be able to be picked up through this service include pianos, large volume carpet, construction debris, large electronic, and other bulky items. *For details, or to schedule a pick-up contact GFL Environmental at 920-687-2631.*

Overall, it is critical that special handling/disassembly is completed, as feasible as possible, for safe handling.

Accepted Items	Items NOT Accepted
<ul style="list-style-type: none"> • Beds, Box Springs • Bikes – no Tires • Carpet – less than 4' in length, rolled, tied and bundled • Furniture - Couches, Chairs, Sofas • Desks • Entertainment Centers • Exercise Equipment • Free-Standing Cabinets • Grills (Propane Tank Removed) • Ladders • Mattresses • Mowers (Oil, Gas & Filters Removed) • Tables • Wood – One bundle, less than (4) feet in length, bundled and tied 	<ul style="list-style-type: none"> • Bagged Household Waste • Batteries • Carpet that is longer than 4 feet, not tied, not bundled • Construction & Demolition Material –Concrete, Roofing, Bricks, Drywall, Lumber, General Contractor Remodel Material, etc. ***Any project completed by a contractor is to be disposed of by the Contractor. • Electronics • Hazardous Waste • Fluorescent Light Bulbs - Ballasts • Appliances (Non Freon & Freon) • Propane Tanks • Recycling Material • Sol & Stones • Tires • Yard Waste & Tree Stumps
