

SUMMER SEASONAL Engineering Aide

Exciting, learning opportunity available!

The **Town of Grand Chute** is accepting applications for Summer Seasonal Engineer Aide. This temporary position is available from May through August. The engineering aide is responsible for performing and assisting in technical and/or engineering support duties related to the functions of the multi-modal transportation systems, in such areas as project development, surveying, construction, design, planning, operations, and infrastructure maintenance. The range of duties provides an opportunity to apply basic engineering principles in a work environment. It also offers exposure in a municipal environment to generate interest as a profession post-graduation.

Starting pay: \$17.72/hour

40 hours/week

Monday – Thursday: 7 am – 4:30 pm

Fridays: 7 am – 11 am

Pay increases every year worked

A detailed job description and application is available on the Town of Grand Chute's website, <https://www.grandchute.net/government/page/employment-opportunities/> or in person at Town of Grand Chute, 1900 Grand Chute Blvd. Grand Chute, WI 54913.

To submit your application you may drop it off in person or email to hr@grandchutewi.gov. Applications received by **May 5, 2025**, will receive best consideration. However, applications will continued to be accepted until the position is filled. Resumes without an application will not be considered.
